PERMIT EXPIRES \_\_\_\_\_

## APPLICANTS REQUIREMENTS:

1. Cost is \$200 per driveway apron.
2. A detailed diagram must be attached with this permit.
3. Inspections must be set up by appointment 24 hours in advance.
4. Permits are only valid two (2) years after permit is issued. Permit voided after two (2) years.
5. All driveways are required to be 14' wide and tapered after 6' or property line to 12' wide with a 2" pitch within the first 6' of apron. Wire or fabric mesh required. Tack and seal must be done at street.
6. Driveway must be staked as per plans before pre-preliminary approval. If driveway is not staked out, there will be no inspection.
7. A final driveway inspection must be obtained before a certificate of occupancy will be issued.
8. It is the law to call 1-800-272-1000 or 811 before any digging is done.
